ABOUT THE ORGANIZATION

Originally under the name “Tsinghua Xuetang”, Tsinghua University was founded in 1911 and is one of the most prestigious universities in China. Tsinghua University School of Economics and Management (SEM) was established in 1984, with Mr. ZHU Rongji as the founding dean. After 42 years of development, Tsinghua SEM has achieved remarkable results in talent cultivation, scientific research, social services, cultural heritage innovation and international exchanges and cooperation. It has taken the lead in obtaining the top two certifications of global management education AACSB and EQUIS and becomes a leading economics and management school in China. The school has about 5000 students in the undergraduate, doctoral, master’s, MBA and EMBA programs. Tsinghua SEM has a strong faculty team with about 150 full time faculty members.

POSITIONS SUMMARY

The School offers competitive salary, relocation fund, start-up research fund and other fringe benefits. Applicants should hold a Ph.D. degree (or expect to hold one before employment) in **Information Systems, Operations Management**, or related fields. Candidates with a strong methodological background in data analysis and machine learning, optimization, and stochastic methods are preferred.

Candidates must be committed to effective teaching, scholarly and professional research, as well as university and community service. Rank and salary will be commensurate with qualifications and experience.
